

ANGEL HELP

SAY THANK YOU TO GOD & ALL THE ANGELS

Thank you for this beautiful day.
Thank you for giving me good health of body and mind.
Thank you for food, clothing and shelter.
Thank you for another day of opportunity to help others.
Thank you for peace of mind and freedom from all fear.

Thank you angels for watching over me and making my life simple and wonderful, and thank you for freeing my mind and body from all of my past, and keeping me free from fear and conflict.

ANGEL OF PROSPERITY

Thank you for opulence and prosperity. Thank you for keeping my mind free from fear of poverty and want. Great Wealth flows to me in Avalanches of Abundance and I am free from all debt. God is the Source of my Supply. Thank you!!

ANGEL OF GOOD HEALTH

Thank you for keeping my mind conscious of sound health, the knowledge that every cell of my body and every physical organ is being supplied with all it needs of Infinite Energy and the added knowledge that Infinite Intelligence places this Energy exactly where it is needed when it is needed. Thank you for my good health!

ANGEL OF PEACE OF MIND

Thank you for keeping my mind free from all inhibitions and self-imposed limitations; thank you for keeping me safe from all harm. Thank you for spreading your wings of protection over me at all times, and thank you for allowing me

complete peace and contentment.

ANGEL OF HOPE

Thank you for the fulfillment of today's dreams and desires, and thank you for the new dreams and desires and the knowledge that I wouldn't have them were they not also the dreams, desires and goals of God.

ANGEL OF FAITH

Thank you for keeping me strong and always aware that it is God in my life, and the Angels in their work that keep my faith strong. Thank you for your guidance, thank you for your inspiration, thank you for keeping me going in the right direction toward fulfillment of my hopes, dreams, wishes and prayers. Thank you for giving wisdom and momentum to my thoughts and actions towards those thoughts, be they hopes, dreams, wishes or prayers.

ANGEL OF LOVE

Thank you for helping me to share my riches, both mental and material with everyone I meet, in the form of loving, caring and giving of myself and all I have to give. Thank you for giving me the wisdom to share these things with others to their growth and fulfillment, but to never enslave them or control them with their need. Thank you for helping me to always be loving and understanding and to live in harmony with others.

ANGEL OF ROMANCE

Thank you for providing me with the knowledge that I am loved. Thank you for filling me with the spirit of youth and enthusiasm. Thank you for giving me excitement for life, and expectation of the best in all things. Thank you for the

knowledge that all dreams do come true.

ANGEL OF WISDOM

Thank you for providing me with wisdom over the years, and thank you for all of the experiences that have added to me, thank you for showing me the value of my past failures, defeats, errors of judgment and of deed and all fears, mistakes, disappointments, and adversities of every nature.

Thank you for the asset of being able to inspire others to take control of their lives, and their thoughts, to teach them to take possession of their own minds, and to use their mind-power to attain the riches of life, allowing me to share my blessings with others to inspire all who are ready to learn, thereby multiplying my own blessings by their benefit to others.

Thank you for showing me that no experience is a liability. Thank you for helping me to take this wisdom to others and to reach all those who truly need the information I can give them. Thank you for making my life richer and fuller in every way.

ANGELS ALL

Thank you for going before me making straight and perfect my way. Thank you for keeping me from tripping. Thank you for clapping your soft wings over my mouth before I can say something that would harm or discourage another.

Thank you for the soft flutter of your wings around me in difficult situations, reminding me of your presence and keeping me strong in the face of those who are troubled.

Thank you for being my protection in danger, and thank you for protecting all those I love from danger and keeping them safe and free from harm.

Thank you for keeping me safe in my life as I go out among those who need to learn the wisdom I have to impart.

Thank you for making my way perfect to deliver all of these messages. Thank you for removing all of the obstructions I have put in my way to this fulfillment. Thank you for clearing my mind of all obstructions that keep me from my good and from helping others to the good this wisdom can impart.
